

N1MM NAME or FRIEND Files Instructions

File name **N1MM_Friends.txt**

Make sure the file downloaded okay by viewing the file with Notepad. The first few lines of the file should look like this:

```
AA0AW,Doug,,,MN ,MN  
AA0ZZ,Craig,,,MN ,MN  
AC0W,Bill,,,MN ,MN  
AC0X,Lou,,,MN ,MN  
AF9T,John,,,WI,WI  
K0AD,AI,,,MN ,MN  
K0ADX,Kirsten,,,MN ,MN
```

Next follow these instructions:

1. Save file in N1MM Logger folder, most likely C:\Program Files\N1MM Logger
2. N1MM Menu Bar
3. Click on FILE, IMPORT, IMPORT CALL HIST
4. This will bring up a window
5. Bottom in FILE TYPE, make sure CALL HIST FILES (*.txt) is selected
6. Find N1MM_FRIENDS.TXT, click on to highlight and click OPEN
7. Go to CONFIG MENU
8. Click on CALL HISTORY LOOKUP

When using N1MM, the name and section will appear in the bottom of the Entry Window when advancing from the Call Field to the next entry field (Tab, Space or Enter (ESM Mode)). It will also automatically fill the section in so double check this in case the person moved, etc. Here is a screen shoot of what you should see:
