

Minnesota QSO Party - 2023

SUMMARY

Thank you everyone for joining in MNQP 2023. This year we received 519 logs. (Down a bit from 551 logs received last year.)

There were 146 logs from Minnesota Stations (exact number as from last year), and 373 logs from non-Minnesota stations.

Based on QSO's from all of the logs, there were just slightly less than an additional 4000 people who joined in at some level of participation.

82 of the 87 Minnesota counties were activated, missing only Polk, Red Lake, Clearwater, Clay, and Norman. Congratulations to Dave - WN4AFP, who tops the list of most counties worked, with 70 counties. He edged out the closest competitor by a single county. Many others were in the high 60's count.

From outside Minnesota, there was no activity from NL, NU, and NT and YT. There were four or less QSO's reported as made with AK, HI, NL, and PE. There was a good amount of participation from the other states and provinces, but no logs were received from NV, RI, WY, and NS.

Band	QSO Count
160	145
80	5409
40	18855
20	22290
15	4721
10	1077

Mode	QSO Count
CW	24638
PH	28859

A total of 53,497 lines of QSO data were processed. That is a very slight increase from last year. It appears that SSB gained about 600 Q's, and CW lost about that same amount as compared to last year.

The relative number of QSO's on 160M through 20M was about the same. QSO numbers on 15M and 10M skyrocketed from last year!

This year we list both "Golden Log", and "Bust Free" logs, as some cases the NIL or "Not in Log" can be a result of oversight from the operator on the opposite end of the QSO.

Congrats to these top-ten achievers!!

Thanks to all the sponsors of MNQP who facilitate all of the costs for plaques, certificates, and the MN Wild Rice gifts.

The list of sponsors can be found at:

<https://www.w0aa.org/sponsors/>

Thanks to all who participated, and we hope to see you again in MNQP. Mark your calendars for MNQP next year on February 3, 2024.

If you would like to receive a log checking report (LCR), please e-mail your request with your call sign to: mngp@w0aa.org

Soapbox

Fun contest keep having it. 73 Matt - **KA0PQW**

100 watts to two selectable dipoles. Lots of activity, enjoyed the fun! 73, Dan – **KE0TT**

Another fun MNQP, but plagued by radio problems again. I will have a new radio next year!!! And the beam will be fixed. Ran MNQP from an EDZ at 324.5'. The most notable thing was a 10m opening to WA, BC, and AL! Nice to log some AL stations! And another contact the opposite direction on 15m was Sweden. Got 42 out of 87 MN counties, 44 States/Provinces. Ready to do it again! 73! – **KC0MKS**

First year going as a Rover and in a Tesla! – **KC0DMF**

AWESOME BAND AND TIME. – **W0CRC**

Had a great time in the 2023 MNQP. Lots of great operators. Many thanks to all the mobiles especially. – **W4SIG**

Soapbox cont...

Set up: Mag mount in the bed of the truck, Yaesu FT-891. RF issues midday. I made a quick RF choke to help with the issue. The problem still persisted, but not as bad. Covered about 400 miles in total. – **W0BJI**

Rig was FTdx101 and Butternut vertical. Fewer QSOs than last year, but just as much fun. Thanks all. – **W1END**

I used this as an opportunity to practice skills calling CQ for future POTA Activations. - **KF0JXV**

Buffalo MN graduate from 1974. – **KJ4EX**

Thanks for the great MN QSO Party. It was a great experience for my first time operating in this QSO Party. - **KC3STZ**

Best party yet! Lots of participants. – **KM4RO**

Thank you for the 2023 Minnesota QSO Party. – **KF3G**

Used an indoor fan dipole and 80 watts. – **K2MN**

Nice to work MN stations - thanks to all who participated! 73, - **W9TCV**

Thanks for sponsoring contest. - **WB7CYO**

Quick remote operation from Colorado - 40 was nice this evening between CO and MN. – **NN6U**

Very limited time...thanks for the Qs. – **NQ2W**

Added 5 new counties; thanks! - **KD8DEU**

Nice to work MNQP – **EA4MY**

I confused myself by working all three QSO Parties. Much effort on my part required to disentangle the data for each QSO Party from my hand scribbles on a sheet of paper. I'll have to find a better way next year. Thanks to those who make the Minnesota QSP Party possible. Peter, - **NO2D**

RIG MOUNTAIN TOPPER MTR3B ON 8AA BATTERIES (10.0V) @ 2W TO EFHW INV L UP 35 FT – **KI4DEF**

I just entered so the others could get their points – **K2MNC**

Lots of fun! - **KN4SYO**

3 QSOs only, but I had fun! - **IX1CKN**
